Erasmus+

### RULES

1. It is going to be about deaf children and their families.
2. We have to choose 3 topics which we see that is necessary to talk and we have to get professional contribution.
3. Topics are free to choose but should not be boring and duration should be between 5-10 min.
4. The logo of the EU and your own country's national agency logo.
5. Videos should be sent to school in Turkey, and they will put videos online on their websites. Also other partners can put the videos on their websites as well.

I HAVE NO IDEA  
WHAT'S GOING  
TO HAPPEN.  
  
AND I LOVE IT.

### RULES

13. Each partner should put online on their websites LINK of the project website.
14. The final report will be written in a cooperation with partners. Partners can share this project in different seminars.
15. The final report is going to include brief summary of all what we did during the project with examples (pictures, videos, etc).

I HAVE NO IDEA  
WHAT'S GOING  
TO HAPPEN.  
  
AND I LOVE IT.
